

## **INVITATION TO TOWN OF EASTON COMPREHENSIVE PLAN UPDATE STAKEHOLDER ROUNDTABLE**

Dear Community Leaders,

The Town of Easton received state funding through the Hudson River Valley Greenway Grant Program to undertake community planning and to forge development practices that create livable, sustainable, and equitable communities. The Town of Easton will maximize this funding opportunity and formulate a Comprehensive Plan update. The purpose of this email is to request your participation in understanding ways to strategically plan for future land use and overall community and economic development.

On behalf of the Town of Easton, you are invited to participate in a ***Comprehensive Plan Update Stakeholder Roundtable*** occurring on **Monday, January 9, 2023 from 6 pm – 8 pm AND Saturday, January 21, 2023 from 10 am – 12 pm**. These particular stakeholder meetings will be held in person at Burton Hall (downstairs Boardroom), 1071 NY-40, Greenwich, NY 12834. Your participation in these key input-gathering sessions is highly appreciated. It will provide for a small group discussion on pressing needs in the community and potential ways to plan for future development in Easton. We are inviting you to this stakeholder roundtable as your feedback is valuable and appreciated.
